OPERATING RESTRICTIONS City Ordinance 16.15:

- **Driver's license required.** Any person operating a golf cart on a public street within the City of Huron must hold a valid driver's license issued by the State of South Dakota or other recognized jurisdiction.
- **Insurance and permit required.** Proof of financial responsibility, pursuant to SDCL Chapter 32-35, is required for all golf carts operated on public streets within the City of Huron. Pursuant to SDCL 32-14-14, the owner of the golf cart operated on public streets within the City of Huron must obtain a permit from the City of Huron or its designee prior to operating the golf cart on public streets within the City of Huron. The permit shall be valid during the period of time the person obtaining the permit owns the golf cart, and a subsequent owner of the golf cart must obtain a new permit prior to operating the golf cart on public streets within the City of Huron. The permit must be in the possession of the operator or passenger of the golf cart, or in or attached to the golf cart when the golf cart is being operated on public streets. The fee for the permit shall be established by resolution of the City Commission.
- **Slow moving emblem required.** Unless a motor vehicle license issued by a governmental entity recognized by the State of South Dakota is mounted on the rear of the golf cart, the golf cart operated on a public street within the City of Huron shall display a slow-moving vehicle emblem mounted on the rear of the golf cart.
- **Operation restrictions.** (a) No person may operate a golf cart on a state or county highway located within the City of Huron except for crossing from one side of the highway to the other. A golf cart may cross the highway at a right angle but only after stopping and yielding the right-of-way to all approaching traffic and crossing as closely as possible to an intersection or approach. (b) No person may operate a golf cart within the City of Huron on a public street during the time between one-half hour after sunset and one-half hour before sunrise unless the golf cart has the following equipment: rearview mirror, horn, headlights, tail lights, and brake lights. (c) The operator of a golf cart shall comply with all municipal and state regulations related to operation of motor vehicles on public streets and highways.

I have read and understand the Operating Restrictions.
